

And you thought you were just buying great electronics. Sometimes doing the smallest thing can make a big difference. Your new product has earned the ENERGY STAR® with technology that uses less energy, which means you're doing your part to protect our environment. Look for the ENERGY STAR on office equipment, home heating and cooling products, lighting and appliances. To learn more, please visit www.energystar.gov.

FACT: IN 2001, WITH THE HELP OF ENERGY STAR, AMERICANS SAVED ENOUGH ENERGY TO REDUCE GREENHOUSE GAS EMISSIONS EQUIVALENT TO THOSE FROM TEN MILLION CARS.
